

Privacy Notice

How DynaQual Test Labs handles information collected through this website.

Last updated: 2026-05-08

This privacy notice discloses the privacy practices for DynaQual. This privacy notice applies solely to information collected by this website. It will notify you of the following:

- What personally identifiable information is collected from you through the website, how it is used and with whom it may be shared.
- What choices are available to you regarding the use of your data.
- The security procedures in place to protect the misuse of your information.
- How you can correct any inaccuracies in the information.

Information Collection, Use, and Sharing

We are the sole owners of the information collected on this site, either gathered through input by the user or through Google Analytics (which you can opt out of). We only have access to and collect information that you voluntarily give us via email, registration, or other direct contact from you. We will not sell or rent this information to anyone.

We will use your information to respond to you regarding the reason you contacted us. We will not share your information with any third party outside of our organization without approved consent from the customer. Unless you ask us not to, we may contact you via email in the future to tell you about specials, new services, or changes to this privacy policy.

Your Access to and Control Over Information

You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via the email address or phone number given on our website:

- See what data we have about you, if any.
- Change or correct any data we have about you.
- Have us delete any data we have about you.
- Express any concern you have about our use of your data.

Security

When you submit sensitive information via the website, your information is protected both online and offline. While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information. The computers and servers in which we store personally identifiable information are kept in a secure environment.

Cookies and Analytics

This site may use Google Analytics to understand aggregate visitor behavior. Analytics data is used solely to improve the website and is not sold or shared with third parties. You may opt out of Google Analytics tracking at any time using the Google Analytics opt-out browser add-on.
